# Mhatre & Modi Specialty Chemicals

<https://www.indiamart.com/mmsspchem/>

**Mhatre And Modi Specialty Chemicals** is a manufacturing company focused on providing UV and LED based Coatings to various end industries and bio-degradable beads for personal care industry.

## About Us

**Mhatre And Modi Specialty Chemicals** was established in the year 2014. We are the leading Manufacturer and Supplier of Specialty Chemicals and Products. Our products are highly durable and reliable in nature. Our products are acknowledged amongst our customers due to their superior quality.

We are the only manufacturing company in India to provide UV Coatings and LED Coatings across the spectrum for Automotive, Wood, PVC & other plastics and Metal applications. Also we are the only manufacturer in India for 100% Bio-Degradable cosmetic beads.

With our roots in manufacturing, we clearly understand the needs of the chemical customers. MMSC combines the right product offerings along with the allied services that help customers achieve their goals. Our services include specific application technology, extensive technical support along with value-added services such as inventory management, last minute delivery etc. MMSC aims to be the partner of choice for our customers and suppliers.
