In sync with current fashion trends, Aaliya Garments is one of the leading organization engaged in manufacturing and exporting of fashion garments, designer fashion garments for men, ladies and kids. Our garments are completely trendy and designer.

About Us

Established more than a decade back with a vision to provide trendy and stylish garments for men, women and children, Aaliya Garments has made a mark for itself in the domestic and international market. We have the largest collection of mens fashion apparel, ladies fashion apparel and kids fashion apparel. We focus on designing garments that are in sync with the current fashion, yet affordable. Recently we launched our Autumn Winter Collection 2007, which was widely appreciated by international clients. Focusing on trends and keeping a close watch on the market, we have developed a complete knowledge and understanding of the market dynamics and accordingly manufacture garments which satisfy our clients demands. Our garments have been designed in such a way so that they are comfortable to wear and are also unique in pattern. Easily affordable and color fastening, they can be easily worn in any season and do not cause any skin irritation.
