## About Us

**COMPANY PROFILE** Mohak Carpets (P) Ltd is actively engaged in the manufacturing and supplying of superlative textile fabrics to various high end users such as industrial, automotive, marine, household as well as filters and geo textiles for infrastructural purposes. We have built an excellent state of the art facility which is being managed by qualified professionals to innovate and deliver unmatched textile solutions. We stand by our quality commitment and stringent quality control procedures that help us gain a substantial share and earn a reputation in both the domestic and international market. It is our aim to raise the limit when it comes to customer satisfaction in delivering products beyond their expectations.

**HISTORY** The company, though young since its inception in the year 2010, is rich in experience, having a technical team with an average experience of 15 years in this field. It is a joint and collaborated effort of immensely experienced professionals with expertise gained in the last 20 years in this segment. Their vision and foresightedness for an integrated carpet unit under one roof has become feasible and has now become a trend for other beginners and competitors.
