

Mona Knitwears

<https://www.indiamart.com/mona-exp/>

Being a quality oriented organization, we manufacture, export and supply a fine quality range of **Thermal Wears**. We offer these thermal wears in **alluring designs** and in a **flawless manner** to the clients.

About Us

Since 1993, we are specialized in manufacturing an unmatched range of Thermal Wears, which are available in impeccable designs. We are supplying Uniform Sweaters to branded Schools like (Ryan International, D.P.S, St. Xavier's, Donbosco, V.V.S, NCS etc.). Thermal Range Includes 100% Pure Wool, 30% Pure Wool (Marino wool) and polyster cotton thermals. We follow most antagonistic approach in order to manufacture these products with good quality. These products help us to gain complete trust of our clients. Further, we also follow various admissible policies to utilize the safest as well as environment friendly raw materials. Our innovative designer helped us to achieve a “sun of the galaxy” status. We manufacture these products along with the proficiency and our products are available in most elegant textures and patterns in the market. Our organization has modified infrastructural facilities, which are well established with the latest and sophisticated machines and tools in order to manufacture these products with best quality. We known the packaging importance so we pack our products using high grade packing materials to ensure safe and defect free delivery of products. Moreover, our company uses different best possible shipping facilities to deliver these products.

We have a close relationship with our clients and we offer these products in the domestic as well as international market. Our organization has exceptional warehousing...
