The future is very much connected with your origins. A glance back over the company's history makes it clear where our strengths lie strengths which have ultimately been responsible for the local and international success enjoyed.

## About Us

The future is very much connected with your origins. A glance back over the company's history makes it clear where our strengths lie - strengths which have ultimately been responsible for the local and international success enjoyed by the Polycab Group. POLYCAB Wires Private Limited is the largest Wires & Cables manufacturers in India with a proven track record of over three decades. MONISCO INDUSTRIES is one of the leading & largest marketers for cable glands in India. Our company is an exclusive marketer for POLYCAB cable accessories. With an unrivalled track record for long-term support, excellent service and dedication to quality, the company has been rated as the first certain choice for wires, cables and glands by many loyal buyers. Monisco Industries currently manages a business of 300 Tonnes consisting of Brass, Stainless Steel, and Aluminum & PVC annually. Our firm is managed by highly qualified and dedicated professionals & promoters who have a rich experience in the cable glands industry and work with strong adherence to the quality management system. Today, the Polycab brand is a byword for competence, quality and innovation all over the world. The high degree of continuity and stability guaranteed by the owning family, combined with an uncompromising customer focus, innovative strength and consistent branding, are a key part of this success. **MISSION STATEMENT:** To maintain our leadership role through excellence of service. And at the same time set high...
