About Us

Mother And Plant is the **partnership** based company which came into existence in **2004** at Ahmedabad in Gujarat, India. We are the leading company of the industry which involve in the **Manufacturing, Retailing** and **Wholesaling** of Calender Roll, Steel Roll and many more which is highly demanding by the clients due to its efficiency, advance technology, durability, corrosion resistance and so many qualities. As we are the client centric company, so we concentrate on the complete satisfaction of the clients by offering them superior quality products. The healthy relationship has been maintaining by our company from many years. We believe in the ethics and principles of the business and we also follow them on regular basis for the maintaining the prestige of our company in the market. On the other hand, we offer these products at market leading prices which are highly appreciated by the clients. We are known as a prestigious company in the market due to the contribution and guidance of **Mr. Jasmit Singh** who is the director of our company. He is highly experienced in his domain and also uses his skills and strategies while performing any business activities. Further, he manages the entire business systematically and smoothly by using the ethics and principles. He also motivates the other employees to work hard with dedication and achieve the target goals efficiently. For the complete satisfaction of the clients, we coordinate with...
