M. R. Engineering Manufacturer and Exporter of complete range of Concrete Pump Spare Parts Pipes Bends and Other wearing Parts. Our offered products gained us appreciation for its accurate dimensions sturdy construction.

About Us

M. R. Engineering is the dominant Manufacturer and Supplier firm serving the industry with world class quality Pipe and Pump Parts since **2005**. From over a decade we owe our growth to firm client relationships which makes us accountable to bring forth a wide gamut of highly demanded products such as, Concrete Pumps Spare Parts, Concrete Pipes & Fittings, and Pipe Bends. Further, a strong trust that has been bestowed upon us embodies our commitment to develop matchless quality products with comprehensive benefits of anti-abrasive construction, temperature and corrosion resistance, highly durable and crack proof performance, and low cost service life.

We believe our commercial footprint is expanding because we have the proficiency to innovate new and improved designs of pipes and other components. Given the performance in the industry, our offered products find its application in engineering, automobile and pumps industries. Our robust infrastructure and state of art manufacturing capabilities equipped us to harmonize the business operations in our nationwide distribution centers. Moreover, our product portfolio has become diverse as we have leveraged the latest manufacturing technologies and optimized the potentials of our team members to timely address the business requirements of a huge clientele.

Our leader and mentor **Mr. Rakesh Shah** gives his best to motivate our team to be the top-most business entity developing industry...

CONCRETE PUMPS SPARE PARTS

Our Products

Clamp DN 125 mm

RAM DN 200 for Putzmeister
Concrete Pump Parts

Ram Pump Part

Concrete Pump Pipe Clamp

CONCRETE PUMP SPARES

Our Products

Lever Type Clamp

Spectacle Plate For
Putzmeister Concrete Pump

Schwing Stetter Concrete
Pump Cutting Ring DN 200
Carbide

Support Walvoil

BATCHING PLANT SPARE PART

Our Products

Butterfly Valve 250 mm

Wear Packing

IGS 237 Sensor for Batching Plant

Batching Plant Spares

BATCHING PLANT SPARES

Our Products

Hydraulic Cylinder Seal Kit
For CP 30

Inductive Proximity Sensor IB
5124

Hanger Bearing for Screw
Conveyors

Schwing Stetter Concrete
Pump Cover Discharge DN
250 (SP- 1400)

BATCHING PLANT SPARE PARTS

Our Products

Brake Liner for Nord Motor

Shovel and Stripper for Batching Plants

Batching Plant Spare Parts

Gear For Scraper 50 T

CONCRETE PUMP PARTS

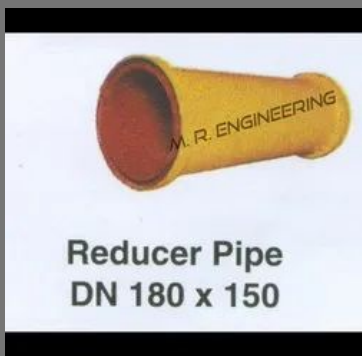

Our Products

Concrete Pipe Fittings

Concrete Pipe Cleaning Ball

Concrete Pump Pipe DN 180-150

TRANSIT MIXER SPARES

Our Products

Full Water Pump

Fan for TM

Rotor for Water Pump

Control Box For T. M. Schwing

OTHER PRODUCTS:

Taper Pipe

Schwing Stetter Concrete Pump Pipeline

Inductive proximity sensor / switch

Load Cell S Type 450 Kg

Factsheet

Year of Establishment	: 2001
Nature of Business	: Exporter and Manufacturer
Total Number of Employees	: 26 to 50 People
