## About Us

Established in the year **1976**, we, "**M R Industries**", are one of the leading manufacturer, supplier and exporter of **Engineering Machine**. We make use of all the latest and upgraded machinery and technology to manufacture superior quality product line. Our team of proficient workers develops the products according to the needs and demands of the clients. Moreover, all the products undergo physical testing to maintain the quality level of the final product delivered. We manufacture our products using quality raw material like **mild steel, C.I., EN-8, EN-24** and **high tension steel** that are procured from the trusted vendor of the market. Our organization also offers **OEM Service** to our clients, sprawling all around the world. Further, our prestigious clientele includes **Africa, New Zealand and Gulf countries**. Under the patronage of our mentor, '**Mr. Purohit Bhai**', we have been able to expand the business to different parts of the country. His expertise in this domain has enabled us to provide optimum quality product line for our clients.
