About Us

MSA Steeltech INC came into inception in the **year 2011** as a **Sole Proprietorship concern** with its infrastructural base at **Begumpet, Hyderabad, Andhra Pradesh**. The firm has chosen to be an **excellent trader, supplier and exporter** of **Mortice Handles, Door Pull Handles, Mortise Latches and many more**. The range is brought in use widely in commercial as well as domestic sectors owing to varied number of qualities. The highly elegant range is the first choice of huge clientele in market. The entire range is sourced from best vendors who have are certified and understand the quality we aspire. The complete range is not only appreciated for appealing looks but our manufacturers also take great care in offering dimensionally accurate products which are well known for their effectiveness and superlative performance. The range is highly recommended by architects, engineers and interior designers as they have observed the huge benefits the entire range promises to offer. Organizational success is not only achieved through huge resources rather the effective utilization of available material plays a great role and we are very fortunate to have **Mr. K. V. Prasaad (Manager)** with us who are expert in channelizing all the resources in most appropriate manner. His huge experience in the industry is our excellent guiding force for our all organizational works. We have started on a good note in market and are sure will be...
