About Us

M.S. Industries was established in **2011**. We are one of the leading **Manufacturer** and **Exporter of Paper Cup Making Machine, Disposable Paper Cup** and many more. We use advanced machines and quality assured raw material in the manufacturing of these products. The machines offered by us are widely acknowledged for their features like low maintenance, longer life, and high efficiency. The cups offered by us are known for their features like soft, eco-friendly, fine finish, high tearing strength, and elegant design. Owing to these features, our offered range is demanded in the nationwide market. Further, our success is the outcome of deep industry knowledge and extensive market research which makes us familiar with the client needs and requirements.

Our well-established manufacturing unit is highly equipped with all the latest machines and tools that are required for the manufacturing of this offered range of products with precision. In compliance with the international quality standards, these products have gained a huge client support since we have established our base in this industry. We assure maximum customer satisfaction through our continuous business planning support, project guidance, raw material and after sales support.

With the efficient leadership of our visionary **Mr. Manoj Singhal**, we have been able to achieve unimaginable levels of success. They have always motivated the professionals to work...
