## About Us

Established in the year 1986, at Pune, Maharashtra, India, we “**Nagane & Associates,**” are one of the leading service providers in the field of **Valuation, Technical certification, Physical verification, Risk inspection, Insurance surveyors, Investigators** and other related services. Our professional business approach while rendering our services makes us deliver competent solutions, making us immensely appreciated by our clients. Our better understanding of the service demands as well as countless corporate clients approaching us to avail our services also aide them in formulating well defined Corporate Strategies based on concrete facts. Our business operations are led by **Mr. Rajan B. Nagane**, who has with him rich experience in our industry sector. His visionary guidance provided in the involved business operations as well as service backup provided by experienced professionals from the industry allow us to successfully understand as well as meet the specific service demands of our customers. Further, our in-depth process knowledge also allows us to custom tune the services that provide maximum benefits to our client’s businesses. Today, the consistent efforts made from our end in climbing towards pinnacle of success as well as effective guidance provided by our team members has ensured that the standards of the services delivered from our end matches up to the specific demands of our coveted customers. Other than this,...
