

Nageshwar Electricals

<https://www.indiamart.com/nageshwar-electrical/>

We are counted among most renowned service providers of Electrical Contractors in this industry. Our organization has carved a niche in this industry, as our services are rendered within accurate time frame and are reliable & flexible in nature.

About Us

Established in the year **2003**, we “**Nageshwar Electrical**” are one of the most coveted service providers of **Electrical contractors**. Our organization has always made sure that we are providing our customers with the best services available in the industry. We are expertise in providing our customers with the range of services which includes **Electrical Contractors, Grade Electrical Contractors, Vacuum Electrical Contractors and Electrical Contractor Service**. Our organization is backed by a team of specialize professionals who are highly expertise in their respective field of providing services.

As a fast growing organization,we are increasing our client approach and are in the process of adding new clients in our list of clientèle. We also provide customize solutions to our valuable clients in our service process as a primary competitive advantage of our organization. For the convenience of our clients we accept different modes of payment like **cash, cheque and demand draft** to simplify the complex method of monetary transactions.

Under the visionary guidance of our mentor **Mr. Datta Kumar**, we have achieved a remarkable position amongst our counterparts in this domain. His tremendous policies and creative ideas has helped us to establish a special niche in the market.
