About Us

Nalanda Virtual Services Inc. provides an efficient, reliable and professional translation, transcription, data entry, business promotion, e-marketing, recruitment & H.R. services and education & training solutions to numerous sectors including various government and semi-government departments, NGOs, banking, financial, insurance, education, legal, all branches of engineering and medical, construction, transport, trade, business and cultural associations and many other organizations.

Nalanda's clients always come back because they are confident in:

- Our 34 years successful existence in the field.
- Our confidentiality procedures which reassure clients that their sound files and documents will be handled securely in an environment which has been assessed and approved.
- Our unfaltering levels of reliability. All translated/transcripts/data entry jobs are sent back to deadline without fail.
- Our quality assurance process which results in consistently accurate, referenced and checked for accuracy in our in-house Quality Control Unit.
- Our staff selection criteria which ensure that our customer service remains second to none, our speed of response is high and our team have the relevant background, experience and professionalism to maintain and build on our excellent reputation.

Our reputation within the virtual services industry has allowed for us to work not only with small...
