# Toral Wood Handicrafts

<https://www.indiamart.com/nandini-novelty/>

We are one of the prominent manufacturer and supplier of a wide gamut of Temples, Statues & Gift Items. Our products are highly appreciated by the global clients for their elegant designs, high dimensional accuracy and excellent finishing.

## About Us

Established in the year 1910, we “**Nandini Novelty Store**”, are engaged in manufacturing and supplying an optimum quality range of **Temples, Statues & Gift Items**. Our fourth generation is handling this business now. Our range of products are known for their quality, economical prices and our client centric approach. Our superior assortment is sourced from leading market vendors and reliable sources. We manufacture and supply an exclusive range of religious gift items, which are of export quality. Our professionals and craftsmen make sure that these art forms are designed in a manner that guarantees innovation in designs. Our products are exclusive and are for decorative and gift purposes. Our products are sculptured beautifully. We have a group of highly skilled and experienced professionals, which helps us manufacture high quality products. Our product range is compliance from international quality standards. Being a client centric organization, we strive to fulfill requirements of our clients with premier quality offerings. We have a worldwide trade connection, especially in **Australia/NZ, Indian Subcontinent, South/West Africa, East Europe, East Asia, Central America, Middle East, South America, South East Asia and North America**. The infrastructure facility of our organization is well equipped with all the latest technologies. We have a well set warehouse in our infrastructure, which help us to store our products with ease....
