<https://www.indiamart.com/nandolia/>

We are a prominent Manufacturer and Exporter of organic chemicals, inorganic chemicals and industrial pigments. These chemicals & pigments are known for accurate composition, precise pH value, purity, safety and high efficiency.

## About Us

Established in the year **1998**, we, **Nandolia Organic Chemicals Pvt. Ltd.**, are a renowned manufacturer and exporter of **organic chemicals, inorganic chemicals and industrial pigments**. Apart from these, we also offer **industrial dyes and fine aromatic chemicals**. These are widely acknowledged for accurate composition, purity and pH value. We are a privately held company, which is run by reputed entrepreneurs.

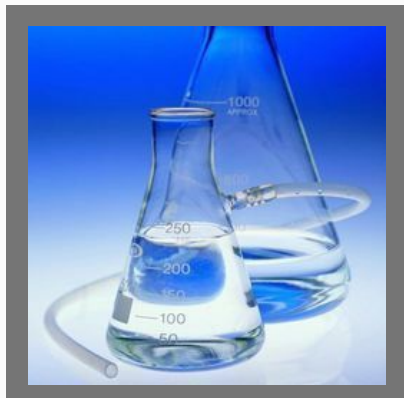

Our organization has set up a plant for formulation of chemicals as per the international standards. We have a sound infrastructure, which is facilitated with advanced technology and sophisticated machines required for chemical processing. Since last two decades, our organization has been able to offer a consistent quality chemicals & services and establish a renowned name in both domestic & international market.

Under the leadership of our mentor, **Mr. Haroon Nandolia**, we have emerged as a distinguished name amidst our clients. His in-depth knowledge and foresighted vision have helped us in establishing a remarkable position in the international market. Moreover, our client centric approach has enabled us in meeting the bulk requirements of our esteemed clients based in United States of America and European countries.
