## About Us

**Natarajs Silks & Sarees** is a well known name in the field of **manufacturing and supplying** quality sarees. Our firm is a **partnership concern** which got established in the year **1988** in **Bengaluru, Karnataka**. We manufacture huge range which includes **Designer Sarees, Embroidered Sarees, Chiffon Sarees, Kanjivaram Sarees, South Indian Sarees and many more**. Our entire range is designed by highly creative designers who understand the market demands and are well acquainted with latest trends of fashion prevailing in the market. The manufacturing of entire range is made with excellent quality of fabric procured from most reliable vendors in the market. We ensure to offer the entire range in variety of designs and colours which make them attractive and lure the customers in buying them. A great amount of effort is made to ensure artistic work in complete range which gives designer look. We must not forget to give full credit to **Mr. Navaneeth Durairaj**, who has helped the firm to grow by leaps and bound. Owing to his efforts the firm has been able to earn a reckonable position in the market, our ethical business practices earn us great respect even by our competitors. **Mr. Durairaj** has enormous industrial experience and shows no inhibitions in putting the same in use for the benefit for the firm. Our infrastructural support has always supported us unconditionally and the massive...
