About Us

NATASHA PRINTPACK is a professionally managed company by Mr. Tejas R. Mehta. He has vast experience in the field of printing & packaging. Both have associated with the industry for more than 10 years. During this period we have not only been able to execute highly critical jobs in terms of quality, precision & delivery schedule, but also have been able to successfully develop large number of corporate & multinational clientel base which includes several big multinational & Indian corporation. We are also in the process of acquiring a large format Digital Printer which will not only help to procure instant colour proofs nearest to the offset printing but will also help us to print digital output on various surfaces like vinyls, papers, canvas, cloth etc. for displays in seminars, conferences & outdoor - indoor publicity.
