## About Us

National Dairy was established in the year 1965 by Mr Ajaib Singh Chhabra with a vision of supplying fresh and pure milk & milk related products in Mumbai. National Dairy started off as a small unit in Jogeshwari, Mumbai producing roughly 100 liters of milk a day. This has now increased to around 30000 litres of milk per day.

So far, it's been a long and tough journey as we passed through with all ups and downs but all along the way, Mr Ajaib Singh Chhabra's son Mr Ranbir Singh Chhabra stood with giving support in all his endeavors.

We grew at a steady pace until we introduced Paneer. This product gave us the much-required recognition for our quality and standards among our customers. This was a milestone for us, during the same period we also introduced other milk products like Ice cream, Lassi, Chhas, Dahi, Shrikhand, Mawa, butter ghee & cream. We sell our milk and milk products to numerous wholesalers, manufacturing companies, caterers, institutions, 'A' grade restaurant, 5 star and 3 star hotels and retail outlets.

In the year 1990 we started our first own outlet at Jogeshwari. During the same period we introduced our products under the name of AMANDEEP, which is also a registered trademark since 1991. Our manufacturing units are completely equipped with modern technology to meet quality and hygiene levels. These laboratories are taken care under the guidance and supervision of well trained, qualified and professional team from the...
