We are a leading ISO 9001:2008 certified manufacturer, supplier and exporter of varied kinds of Medical Supplies. These products are known for their quality, efficiency and low maintenance requirements.

About Us

Established in the year 2007, "National Healthcare" has already made a formidable name for itself as a manufacturer, supplier and exporter of varied kinds of **Medical Supplies**. Our products are highly appreciated for their compact sizes, unique designs, easy to use quality, low maintenance requirements and precision engineering.

We aim to provide quality disposable surgical products to the customers as these tend to be hygienic, user-friendly, affordable, ready to use and sterile. These prove to be life savers for many people, who do not have immediate access to hospitals and other healthcare systems. We are an **ISO 9001:2008 Certified** firm, which have consistently built a strong base in all kinds of national and international markets. Doctors and nurses can now eliminate preparation risks and procedural complications with the help of our products. Our products are designed to reduce the risk of infection and inflammation in the patients. Furthermore, we are backed by an efficient and prompt customer support services, which is meant to cater to the after sales queries of the customers. We provide our range to different countries of the Middle East and South East Asia. The payment modes accepted by us are Cheque, DD and LC, whereas, the deliveries are made by Cargo and Road.

Under the able guidance of mentor, 'Mr. Dilip Patel', we have established a firm hold in this industry. His expertise and leadership skills have...
