Our organization specializes in manufacturing, trading and exporting a wide range of Hearing Aid Equipment and Accessories. We also offer reliable and effective services for Paediatrics, Vocal and Speech Therapy.

About Us

Established in the year **1996**, we, '**National Hearing Care**', is an illustrious manufacturer, trader and exporter of **Hearing Aid Equipment and Accessories**. Our organization is counted among the reputed suppliers of advanced hearing aids that are known for their digital noise reduction, easy modification of frequencies and high comfort level. These devices are suitable for providing clear sounds in case of severe and profound hearing losses. Some of our products are sourced from reliable and well-known manufacturers, who make sure to implement latest technologies to develop the entire range. The hearing devices manufactured by us are most convenient for new users to get accustomed to. Each of our hearing aids can be easily adjusted and reprogrammed with the aid of a computer. We also possess the requisite facilities and technologies to provide our clients with reliable and prompt services for **Paediatrics, Vocal and Speech Therapy**. Our specialists help the hearing, paediatrics and autism patients get accustomed to the new speech & hearing aids. The therapies conducted by us enable the patients in better understanding of speech, sound identification and offer great comfort when loud noises occur. Under the guidance of our mentor, '**Mr. Kuldeep Singh**', our organization has swiftly moved on the path of success. His domain knowledge and business acumen have enabled us to expand our...
