We are a reputed firm engaged in trading industrial maintenance tools and equipment. These products are well-known across the country for their precision engineering and longer functional life.

About Us

Established in the year 1990, we, “**National Power Tools**” are an eminent trader of industrial maintenance tools and equipment. We are a Sole Proprietorship firm, which is located at Surat (Gujarat, India). Our products are procured from authentic and reliable manufacturers of the market. We offer our range at industry leading prices to suit the varied budgets of our clients. The products can also be customized as per the choices and demands of our clients. We ensure that the offered range is in conformation with industry norms and standards. Our firm is backed by a full-fledged quality testing unit, wherein we stringently check the quality of the products before the final dispatch. Moreover, we are assisted by a large and spacious warehouse to store our products in a proper manner. We accept payment via various modes from our clients that include Cash, Cheque, Credit Card, E-payment, money transfer through bank and DD. We have blossomed under the charismatic leadership of 'Mr. Gautam Shah', who possesses vast experience in this domain. His fabulous business decisions, ethical trade policies and in-depth knowledge have enabled us to climb the ladder of success.
