Natural Gypsum False Ceiling Systems

<https://www.indiamart.com/natural-gypsum/>

We are a prominent **Manufacturers and Suppliers** of POP, Gypsum Plaster and Coatings. These are extensively appreciated by the clients due to their attributes like quick drying, whiteness, fine finishing and excellent adhesive properties.

About Us

Established in the year **2007**, we, '**Natural Gypsum False Ceiling Systems**', are a coveted **Manufacturer and Supplier of Plaster of Paris and Coatings**. Our product range include **Gypsum Plaster, Vermiculite Gypsum Plaster, Natural Stucco, Natural One Coat Premium, Natural Extra-V, Gypsum Plaster Bonding Agent, Natural Wall Putty**. These are manufactured under controlled temperature in an automatic continuous flow kettle using natural gypsum, gypsum hemihydrates and exfoliated aggregates. All our products are stringently examined on various industry set parameters, before the final dispatch. Our products are widely used in various industries such as **Interior** and **Construction** Industry due to light weight, excellent adhesive properties, quick drying, fine-finishing and resistance to fire & cracks. The products we offer are easy to use and the leveling and application of natural gypsum plaster can be easily done by normal plaster of paris (P.O.P.) workers. We are located near Kalamboli and Taloja (Mumbai) and in process to establish some more units in other parts of India to expand our business.

We are backed by a dexterous team of professionals that assist us efficiently in our entire business process. The professionals appointed by us are well-versed with every pros and cons of building and construction industry. To meet the desired organizational targets and goals our employees work in harmony among one another....
