About Us

Techzime is a specialist provider of Information Technology based enterprise solutions, capable to serve customers from all over the world.

Techzime is based in the metropolitan city of Ahmedabad, Gujarat, India.

Our energising & highly capable team are addicted to providing the best solutions to customers. With strong skill set in time / project management, projects led by our team never under perform.

The entire Techzime team values integrity, honesty, mutual understanding, and timely project deliver. With a passion for technology, we love taking on new challenges, and pride ourselves on successful delivery.

Our project managers try to strike the right balance between what the customer wants and our own creative input. We just love our work and are dedicated to creating the best solutions for our customers and that's why our service levels are of the highest standard, from start to finish.

As they say it's not the best idea to "blow your own trumpet". So we would love to invite you to try our services out and see for yourself what Techzime is all about
