## About Us

Incorporated in 2010, Nav Durga Creations is a young and dynamic organization. We are Manufacturer, Exporter, Wholesaler, Trader of Bridal Chura, Bridal Kalira. Our company is located in Rohtak, Haryana. The company is owned and operated under the leadership of the Proprietor Mr. Sudhir Bhayana. Under his management the company has managed to survive every thick and thin of the market; and is constantly growing. We started our company as a designer bindi manufacturer and from that onwards we are constantly achieving new heights by adding new products as premium quality chura to kalira to and lumbis. Our company's single motto is to provide the best quality at affordable prices having the only competition with only ourselves. To maintain our products quality, we follow very strict inhouse quality control methods. There have a no. of quality checks before the final product reaches the actual customer. Customers feedback is highly appreciated.

We are a prospering name in the industry and are widely acclaimed by our clients for your enchanting Jewellery. We produce only the best quality bridal Products. Wearing a chura, after marriage, has become a fashion these days, irrespective of the prevalence of this custom in their religion or not. People have now-a-days tarted considering bridal chuda bangles as a symbol of a married woman. Even with the changing times, where, women do not prefer wearing Mangalsutra and sindoor, after marriage, they take immense pride in...
