About Us

Naveena Communication : Communications specialties, Naveena is an Certificated, Coimbatore based company that sells a variety of products for the distribution, conversion or the transmission of communication products and home making products. The company was founded in 2000 by P.Mainikandan of the communication industry. Since then, Naveena Communication has managed to consistently marketing innovative products that are used worldwide by all peoples in a variety of areas such as home, office, personal, industries and so on. The repairing section of the unit is highly occupied with latest machines and equipments. These facilities aid the concern to service high quality and sensible products with good quality. The unit is well supported by 7 employees in carrying over uninterrupted service function. The workforce includes skilled and experienced employees. The ever-growing demand for communication essential products has initiated us to further expand our marketing operations with best products. We have made planned to market latest and advanced products like Mobiles, UPS, Inverter and Induction Stove etc from well known companies. Our business analysis indicated a positive result and our early experience in the field has given us the ability to further proceed with this proposal. Therefore, we have geared up to take this business proposal to create a new wave in marketing of communication ,home and other essential products.
