## About Us

Established in the year 2008, we, "Navjyot Chemicals & Commodities Private Limited", are one of the leading organizations engaged in, importing, dealing and distributing Industrial Chemicals. The chemicals offered by us find wide industry application in water treatment plant, textiles Chemicals, Synthetic Resins, Industrial Binders and paints industries. We source these chemicals from the renowned and reliable vendors of the industry, who formulate the chemicals in compliance with the industry standards.

We are in this industry since last 50 years and cater bulk drugs, paints, textiles auxiliaries, dyes and intermediates, petrochemicals, rubber and laminates. Our quality tested chemicals are acclaimed by the customers from domestic as well as international market. We are presently working as the authorized selling agents and distributors for various India manufactures. Our extensive range of chemicals garner a huge clientele across Indian Subcontinent.
