Navyug Udyog

<https://www.indiamart.com/navyugudoyog/>

We are one of the leading manufacturers, suppliers, exporters, traders and distributors of a huge gamut of **laboratory and heating instruments** to our clients across the globe.

About Us

Navyug Udoyog is incepted in the year 1989. We began our organization as manufacturers, suppliers, exporters, traders and distributors of superior quality Laboratory and Heating Instruments to our customers across the nation. Our comprehensive range of these products includes Autoclaves, Distillation Stills, Furnaces, Heating Instruments, Laboratory Instruments, Mortuary Chamber, Shakers, Stirrers, Clean Air Equipment, Water Baths, Hot Air Ovens and Incubators.

Our range of these instruments is manufactured in our advanced and well equipped manufacturing unit using premium quality materials. We have a team of expert professionals who are highly qualified and experienced. Our quality experts conduct stringent quality checks at each of our manufacturing stage so as to ensure a quality oriented product range. Under the guidance of our proprietor, Mr. Satish Kumar, we have grown to new heights of success. His industry experience in this domain and guides our team in performing to their fullest of abilities.
