Shree harshit Engineering Company

<https://www.indiamart.com/nb-industries/>

We are one of the distinguished manufacturer and exporter of packaging machinery, volumetric liquid filling machine, shrink tunnel, etc. These machines are used in various industries like food processing, sugar, cement, bottling plants and others.

About Us

Established in the year 1998, **N. B. Industries** is a leading manufacturer and exporter of an extensive range of **pharmaceutical packaging machinery**. The range of machinery offered by us includes **cup filling machines, automatic jar rinsing machines, automatic rotary bottle rinsing filling & capping (60 Bpm)** and **automatic rotary gravity machines**. Designed in compliance with international quality standards, our range finds applications in numerous industries such as Sugar industry, Cement industry, Fertilizer industry, Tyre industry and many more. Our well equipped production unit, dedicated manpower and extensive research have helped us in emerging as a leading manufacturer of **Pharmaceutical Packaging Machinery**. We adhere to strict quality measures in order to provide a defect free range of machinery to our clients. This assures our clients that the products offered by us are manufactured with precision and are as per international quality standards. Under the proficient guidance of our mentor **Mr. Kishorbhai Parmar**, we have earned a strong foothold in the competitive market. His business ethics and valuable experience have helped us in scaling new heights of success.
