

Neelkanth Fabrics

<https://www.indiamart.com/ndfashion/>

We are a leading manufacturer and exporter of all types of fabrics. Our range includes garments fabrics, embroidered fabrics, corduroy fabrics, scarves, stoles etc. We have developed a strong market for us globally and domestically.

About Us

Neelkanth Fabrics is a leading manufacturer and exporter of all types of Fabrics, Exclusive Sarees, Ladies Dress Materials, Salwar Kameez Dupatta Fabrics, Velvet Fabrics, Satin, Pareos, Scarves, Stoles, Sarongs, Beach Wear, etc. Incorporated in the year 1993, our company has now become a landmark in the textile industry and serving to the needs of many big textile industries. Excellent fine quality of global standard is our forte. Our efforts speak for us and we have very strong dealing networks in both the domestic & international markets.

We are a well-managed manufacturing unit having over 15 years of field experience having the service of well-informed procurement experts, market analysts and other efficiently trained personals headed by a chief executive, being well-versed with current market trend and full knowledge on clients' requirement. These analysts undertake consistent market research in order to understand the current market trends and offer customization after realizing the clients' requirement. We offer precious after sales services by maintaining jovial relations with our clients which answers all the queries of our clients.
