About Us

We **ND Kitchens** from **2000** are a leading and prominent company of this domain engaged in manufacturing, wholesaling and trading a wide range of finest quality **Modular Kitchens**. Our product range encompasses best quality **Modular Kitchens, Modular Kitchen Cabinets, Laminate Kitchen** and many more. Offered products are made by using high quality components. These products are admired by our patrons for their high quality, light weight, attractive pattern and long service life. To meet the varied needs of wide patron base, we are offering these products in many sizes and designs. Since origination, we own enormous domain superiority and put in ingenious hard-work to provide to customer satisfaction. To design the offered products with following industry quality standard, we have modern infrastructure facility at our premises. We have installed all the modern machines at our facility to make the offered products in large quantity. Apart from this, we timely upgrade the machine installed in our production unit to satisfy our clients according to their need. Our company also ensures the quality of the products before final dispatch of the items at the customer end. Along with this, we are also fully supported by a team of highly talented peoples. Under the continuous supervision of our mentor, **Mr. Nikhil Palve**, we are able to cater the vast clientele. Backed by us excellent management skills, we have been able to attain a dynamic...
