About Us

Nectar Crafts was established in **2005** as **partnership firm** . We are prestigious **manufacturer, exporter and supplier** of **Fleece Fabric, Velour Fabric, Terry Fabric, Terry Stripe Fabric, Velour Striped Fabric** and many more variety of products. These products are produced from high quality material. Bulk demand occurs only because of error free range of products. We offer our products with quality attributes which enables us to maintain a leading position compared to our competitive enterprises. Through our streamlined production we are in a position to increase our sales and profit without compromising our quality. **Mr. B. Bharath (Partner)** has helped the firm to increase sales by deploying it with latest machinery. Subordinates trained under him perform with versatility and flexibility. For our partner every opinion counts. Therefore interactive sessions are held for improving the skills of his subordinated. For coordinated working conditions he personally inspects day to day working of business entity, which helps in reducing loopholes. He is well aware of the prevailing competition in the external environment and frames the business policies accordingly. We believe that customer is king. Hence our production process is carried out keeping in mind customers requirements. We maintain regular contact with our customers to keep a record of the preferences. This further helps in developing new products and...
