Neelam Scale Company

<https://www.indiamart.com/neelamscale/>

We hold specialization in manufacturing, supplying and exporting a plethora of electronic weighing scales. Our range of products is widely admired for features like high degree of accuracy, user friendliness and durability.

About Us

Established in the year **1980**, “**Neelam Scale Company**” is engaged as a manufacturer, supplier and exporter of **Analytical (Laboratory) Scale, Carat (Diamond) Scales, Jewellery Scales, Table Top Scales, Platform Scales, Heavy Duty Platform Scales, Mobile (Movable) Platform Scales, Floor Platform Scales, Crane Scales, Hanging Scales, Weighbridge Scale and Counter Manual Scale**. Our company is on proprietorship basis having **Mr. Narrottam B. Chauhan** and **Mr. Sunil N. Chauhan** as partners. We make use of finest grade raw material sourced from trusted and eminent vendors in the industry. Owing to its high degree of precision, compact size, corrosion resistance and technology, our range of scales is widely demanded in various shops, retail stores and jewelry stores. Being a customer-oriented organization, we work to offer premium quality products to our customers. Our diligent team members ensure that our clients receive a timely delivery of high quality products. Since our inception, quality has been our prime objective and we have made continuous endeavors to maintain quality standards at highest level. Backed by a hi-tech infrastructure, we are able to accomplish our productivity targets within stipulated time frame. Our clients can also avail various customized solutions from us. For the reason that we have always followed ethical policies, we have gained a firm hold in the market. ...
