To compete in today's business environment, enterprises need to mobilize their workforce and services. We offer the flexibility for the enterprises to either build their own system or customize our plethora of mobile products

## About Us

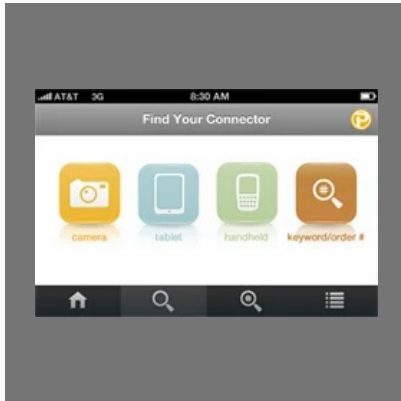

But for a change Negits Solutions was born on a 'Lunch table' with an astounding vision and tons of enthusiasm. Not to Miss - A great Idea: "Mobilizing Innovations" People knew the stories of 'Rags to Riches', ideas makers with billion worth of takeover, classmates who came together to launch a company. We are not either of them. But we kick started our journey with Negits Solutions, to change the traditional systems with the help of Mobility Solutions.
