About Us

Nemesis Solutions enables customers to focus on their core business by outsourcing their marketing & customer-centric support services. With our strengths in recruitment and management of professionals, we handle time-critical challenges maintaining strict confidentiality of information and surpassing customer's expectations. At Nemesis Solutions we take pride in our process efficiencies and quality-conscious philosophy. With an inspired team of people, we partner with our clients to deliver outsourced contact center and back office solutions that improve business processes and strengthen customer relationships. We design and deploy customized solutions on behalf of our clients, across a wide range of industry verticals. Our client partners enjoy a high quality of service, optimized cost containment, and a competitive edge.
