<https://www.indiamart.com/neofoods/>

Neo Foods Pvt. Ltd. is a processor, exporter and supplier of Vegetable Relish, Vegetable Paste, Vegetable Chutney, Fruit Chutney, Coconut Milk & many more.

About Us

Neo Foods Pvt. Ltd. is a part of Jalan Group of companies. Neo foods owns two brands Neo and Nirvana Farms. Neo foods is amongst well known names, reckoned for processing a premium range of processed vegetables, relishes and spreads. We offer products in barrels, cans and glass jars of all sizes.

Neo Foods Pvt. Ltd. it is one of the leading companies of India in the pickled vegetable space based out of Bangalore. It has an integrated operation starting from contract farming to processing to bottling and canning to delivery to the customer in any part of the world. Neo has approx 5000 acres under contract farming per year and grows vegetables like gherkins/cucumbers, jalapenos/peppers, red paprika, cherry tomatoes and tomatoes, baby corn, red and yellow capsicum and is doing trials for other vegetables. Contract farming is spread all over South India. It has an experienced agricultural team who works closely with the farmer from sowing to harvesting till buying of the crop and delivery to its factory.

Neo has a modern factory with latest equipment for processing and packing in a KIADB Industrial area at Tumkur 75 km from Bangalore. It has 2 integrated jar bottling and 1 canning line besides vegetable processing and cutting equipment. The main equipment like pasteurizer, capping machines, filling machines, cutting machines are imported from Germany and USA.
