About Us

Established in the year **2003**, **Net Office Equipment** is one of known names in the market, widely affianced in **Wholesale Supplier, Trading and Services Providing** a huge variety of **Photo Copier Machine, Canon Software, Canon Printer** etc. These products are admired in the marketplace for their optimum performance, fine finish and sturdiness. Offered products are made-up at merchants end using quality sanctioned raw material and advanced technology in observance with worldwide principles and guidelines. To avoid these products from any kind of fault, these are thoroughly tested by our quality examiners on well-defined parameters. Furthermore, customers can acquire these products from us at very reasonable prices within specified time. We offer our products under the brand name **Canon**.

With the help of our qualified professionals, we have gained a vast clients base across the nation. We have experienced quality analysts who strictly check the products on certain level of constraints to make that they are faultless and defect free. We have divided our team of professionals in many departments such as quality supervisors, study and development, sales & promotion, obtaining unit and packing unit. These units are furnished with well-organized modern technology. Our experts choose merchants base on basis of their economic status, standing in the market and consistency. Our expert also supports us to offer our...
