About Us

Established in the year 1998, we, Netplace Technologies Private Limited, are the service provider and are counted amongst the prominent organizations engaged in offering **IT & Infrastructure Solutions**. Additionally, we also hold expertise in offering **Computer Peripherals, IT & Infrastructure Solutions and Distribution Services for Laptops, Skype Phone** etc. Our association with Cisco has helped us in gaining switching & routing, security and IP communications specializations along with both broad and deep capability & experience. With the assistance of our efficient professionals, we have been able to establish fruitful relations with reputed manufacturers such as ASUS, Topcom, Bafo, Razor and Everglide, who are known for providing optimum quality products. They also keep a tab on the clients' requirements and assist us in meeting the same within the committed time frame. Due to these factors, we have been able to garner a huge client-base all across the country. Our mentor, 'Mr. Milan Doshi', holds wide industry experience in this domain. His profound knowledge and visionary approach has guided us in every sphere of business. Under his able guidance, we have been able to earn a position of repute in this highly competitive industry.
