<https://www.indiamart.com/newannalaboratories/>

New Anna Laboratories is an eminent name, which is engaged in manufacturing and supplying a range of Highly Concentrated Cleansing & Perfumed Liquids and Hand Washing Soaps. These products are known for accurate precision and longer shelf life.

About Us

Established in the year 1963, we, “**New Anna Laboratories**”, are one of the renowned manufacturers and suppliers of a wide assortment of **Highly Concentrated Cleansing & Perfumed Liquids and Hand Washing Soaps**. Offered products are **666 Insecticide, 7 Kisses Perfumed Liquid, Dish Washing Fluft, Deluxe Tingol, Deluxe Anopine and Delux Annol**, to name a few. Also, we are offering **Suzee Perfumed Liquid** and **Air Freshener Stick**. These products are formulated using high grade ingredients, sourced from trusted vendors of the market. Along with this, the offered range is known for its longer shelf life, accurate compositions, precise pH value and safe consumption. Our personnel make sure to offer this range in different compositions and allied specifications as per the diverse demands of clients. Quality professionals hired by us make sure to inspect the entire assortment using stringent methods, in order to ensure its compliance with the industry laid norms and standards. We Are an Approved Government Supplier. We have constructed a sophisticated infrastructure, which aids us in controlling the business related activities in a streamlined manner. Facility is installed with modern machines and latest technology that aid us in offering a comprehensive assortment of products. Our personnel make sure to segregate the infrastructure in different units such as manufacturing, quality testing, warehouse and administrative. We...
