New Era Computers

<https://www.indiamart.com/newerasolar/>

We are the foremost Sysem Integrator, Trader, Supplier and Retailer of Solar Power Plant, Solar Water Heater, Solar Street Light, Solar Lantern, Solar Battery, Solar Inverters and Home Inverter Batteries.

About Us

“**New Era Solar**”, was established in the year **2008**, at **Ludhiana, (Punjab, India)** as a Partnership and since then has become a renowned name as the **trader, supplier** and **retailer** of **Solar Energy** Products. The product line includes solar products such as **Industrial Solar Water Heaters, Domestic Solar Water Heaters, Solar Home Inverters, Solar Power Inverters, Solar Home Lights, Solar Street Lights, Solar CFL Lantern, Solar LED Lantern, Solar Lamps, Solar PV Systems, Solar Power Plants, Solar Panels, Solar UPS, Solar Air Conditioners, Solar Air Cooler** and many more. With the advent of technique to use sun's energy as the source of power instead of water generated electricity, we can contribute our bit to avoid global warming. The use of solar products in the household is an eco friendly step and our company ensures that the products apart from being environment friendly have a low maintenance, is safe for the toddlers and has a long life, cost effective to ensure that the customer's needs are fully satisfied at a competitive price. The company has a huge vendor base that keeps the company's client base fully captivated by supplying quality products within a short span of time. The vendors associated with the company holds a prestigious position in the market as well. The primary objective is to excel towards client satisfaction and to achieve this company rules and norms are...
