We are a leading manufacturing, importing and exporting organization offering a wide array of **Gifts, Handicraft, Table Tea Coasters & Promotional Cotton Cap.**

About Us

“Newest International” is a prominent manufacturer, importer and exporter of Gifts Handicrafts & Promotional Items. Our range of gift items is manufactured using premium quality raw material, which is obtained from the trustworthy vendors of the market. The products offered by us are highly demanded for their packaging, brand promotion, attractive colors, fine finish and exclusive designs, which can be gifted on any occasion.

Based at **Ahmadabad (Gujarat, India)**, our firm has a state-of-the-art infrastructure, which is equipped with latest machinery which helps in cutting down the production cost and provide our range at competitive prices. Supported by a diligent team of professionals, we are able to provide our patrons with international quality products.

Our valuable clients can customize these products as well as packaging as per their individual choices and preferences. All the products are safely packed in strong and attractive packaging material to ensure utmost safety during transit. Thus, all these factors have gained us the trust and confidence of our esteemed customers spread across various parts of the country.

Our firm is headed under the guidance of our mentor, **'Mr. Harshil'**, who has vast industry experience and in-depth knowledge in his respective domain. His creative thinking and dedication have enabled us to reach the optimum level of success.
