

New Janta Nursery

<https://www.indiamart.com/newjanta-international-nursery/>

Our organization is one of the leading cultivators, exporters and suppliers of Ornamental Plants, Seasonal Plants, Fruit Plants, Flower Seeds and Bulbs. Apart from this, we are also engaged in manufacturing a range of Fancy Flower Pots.

About Us

Established in the year **1960**, at Maler Kotla, (Punjab, India), we, “**New Janta International Nursery**” are counted among the reliable organizations, engaged in cultivating, exporting and supplying a wide variety of **Ornamental Plants, Seasonal Plants, Fruit Plants, Flower Seeds** and **Bulbs**. Apart from this, we are also involved in manufacturing and supplying a comprehensive range of **Fancy Flower Pots** to the valued customers. These pots are widely acknowledged by the customers for their features like intricate designs, aesthetic appeal and beautiful color combinations. Our customers can buy these from us, at industry leading prices all over the world. Our organization is supported by an advanced nursery, which sprawls across a large area. It is equipped with all the basic amenities that are required for cultivating different varieties of plants. We have also recruited an experienced team of professionals, which helps us in managing our activities in an efficient manner. Our professionals make sure that adequate environment is maintained throughout while cultivating these plants. As a customer driven organization, we lay great emphasis in providing maximum satisfaction to the customers. We want to achieve this core business objective with our quality, flexible payment modes and transparent business dealings.
