About Us

New Jeeva Super Market came into existence in the year **2002** as a **Sole Proprietorship** based firm and located its operational head in **Tamil Nadu, India**. Our company is engaged in offering **Indian Pulses, Powdered Spices, Cooking Oil, Organic Rice, Dry Fruit** and many more. The offered products are highly demanded in the market due to their premium quality and cost effective prices. At our unit, we have team of dedicated experts that perform their function in a best possible manner. The quality products are procured from the best and authentic vendors of the market. Our vendors are highly experienced and knowledgeable about the domain. They use latest technologies and machineries while producing the range ensuring that the quality is maintained. Before delivering the range to us, they carefully verify the quality under the stringent quality checks, in order to maintain long term relation with us. Further, after procuring the products from these vendors, we again test the quality of the products so that our products are fully assured of the quality. Our quality auditors carefully scrutinize the quality on various quality units. Our products are offered as per the specification given by the customers. We make sure that the customers are always satisfied with us and our products. Thus, by offering quality products at market leading prices we have created a dignified position in the market.

Our company is looked after by **Mr....**
