Being a client centric organization, we are highly engaged in manufacturing and supplying a wide gamut of Industrial Equipments. Offered products are highly demanded by the clients for their best performance and longer service life.

About Us

We "**New Morning Star Process Industry**" were established in the year **1983**, as a leading manufacturer and supplier of a broad range of Industrial Equipments for our customers. Our product assortment includes Cold Lamination Machine, Paper Coaters and Laminated Sheet Separator. These products are manufactured by utilizing high grade components with follow the set industry norms under the supervision of our well trained workforce. To cater the diverse demands of our valued clients, we are offering these products in different specifications. Offered products are highly appreciated across the market for their reliable performance and longer service life.

To manufacture the offered products as per the set industry norms, we have developed a well-equipped and designed infrastructure facility at our premises. Our professionals are selected through industry approved selection procedures. Further, for hassle free execution of all our business related tasks, we have parted our infrastructure facility into various operating units. To achieve our organizational goals and objectives, our professionals are working with full dedication and close coordination with each other. We are able to deliver all the offered products on time, as we have developed a wide distribution network.

Under the valuable supervision of our mentor **Mr. Aas Mohammad**, we have attained such a distinct and dynamic position in the market. Due to his excellent management...
