New Power Tech

<https://www.indiamart.com/newpowertech/>

We are an eminent manufacturer and supplier of Electronic Ballast, Light Fitting and Mirror Optic. Our products are appreciated for their easy installation, corrosion-resistance, longer service life and excellent lightning provision.

About Us

Established in the year **2005**, we, “**New Power Tech**”, are an eminent manufacturer & supplier of a premium range of **Electronic Ballasts, Light Fittings and Mirror Optics**. The products offered by us are manufactured using fine quality material, which is sourced from vendors of high repute after doing an extensive market research. These products are manufactured under strict vigilance by our quality controllers to ensure that these are free from defects and faults. Our product-line is highly applauded for its easy installation, excellent lightning provision, longer service life, reliable serviceability and corrosion resistance. We have developed a robust infrastructure to carry out all the business tasks properly. Our infrastructure is equipped with all the high-tech machines and advanced technologies that are essentially required in the production process. The experts we have hired try to maximize the satisfaction level of our clients by providing them the products as per their requirements. All our products can be customized on the basis of the specifications detailed down by our valued patrons. Furthermore, to ease out the tedious process of monetary transactions, we accept payments via various modes like **cash, cheque and DD**. Also, we ensure that the consignments are timely delivered at clients’ destination via easy shipment modes such as by **cargo and road**. Under the visionary guidance of our...
