**Newview Publication Private Limited** is established with the commitment to provide authentic, high quality, content driven educational books.

## About Us

**Newview Publication Private Limited** is established with the commitment to provide authentic, high quality, content driven educational books. In the pursuit we not only import, distribute and publish content-driven books, but also offer end-to-end solutions and develop books on demand. The company evolved from a business setup wherein printing services were provided to the publishing sector. With this background since last 25 years, the company knows the DNA of the industry and willing to share its experience in developing books, especially for the educational sector.
