About Us

We, “**Nidhi Cables Pvt. Ltd**” are leading **Manufacturer and Supplier**, established in **1988, (Delhi, India)**. We are the biggest and most perfect quality collection of electronic products are **Electric Plug, Electric Cable and Electric wire**. They are created by our professionals that are most talented and skilled in this realm. They are qualified and most experienced in this realm. They use best of the tools and up to dated machines to create these electronic products to keep them as per required market standards. They are easy to install and promise to offer safety and security while installations. They are available in many specifications and sizes. They are broadly appreciated for its quality, smoother fixture and affordable rates. In order to create this wonderful array of electronic products, we have built a very large infrastructure unit that spreads over large area of land that is spacious and well equipped with modern machines and tools. We have a team of professionals that are qualified, production plant and very clean warehouse unit to keep our consignment safe and secure. Entire infrastructure is divided into many sub departments and handled under the headship of our managers. All the departments are smart and cordial to each other to keep the processing best and perfect to offer world class collection of electronic products at very cost effective rates. We have very interactive online presence also with all...
