About Us

Nidhi Interiors is an organization that conceived in dreams and has potential to fulfill these dreams. The dream is to present world class furniture and interior decor in India, at costs which are within the reach of a common man. When our company took its first step 3 years back in **2010**, we started a journey which has taken us through small voyages with each of our customers starting from their home that took us right into their hearts. Today we are happy to be connected with more than 50 families building, bonding and decorating their living spaces efficiently. We are basically a **partnership** based company that has been **manufacturing, supplying** and **trading** a qualitative array of **Office Workstations, Kitchen Furniture, Institutional Furniture, Glass Partitions, Household Furniture, Storage Cabinets** and many more. Moreover, the contribution of **Mr. Saravanan.M** plays an important role in spreading our business all across the nation. He is amongst the respected **partners** of our company. His sincerity and dedications towards achieving goals make him an ideal leader. Besides this, at our company, we not only design life spaces for our clients but we also manufacture and build a dream home where anyone wants to live in. We provide the best service that adheres to the budget of our customers and the type of space they like to experience. We pride ourselves in providing high quality interior decor and furniture that...
