We are one of the leading **Manufacturers and Suppliers** of a wide assortment of **Plastic Packaging Products**. These are available in various designs & sizes and provide reliable solutions in different sectors.

## About Us

We, **Niraj Plastic Industries**, established in the year **1991**, are pioneers and trusted **manufacturers and suppliers** of a wide collection of **Plastic Packaging Products**. With the help of our professionals, we offer our range in various specifications, which can be customized as per the requirement of clients. These products cater to the various requirements of different sectors and are acknowledged for their strength and quality. Furthermore, our company has gained an annual turnover amount of around US\$ 1-10 Million (Rs. 4-40 Crore (INR) approx).

We are backed by a well developed manufacturing unit, which is equipped with **Stitching and Cutting Machines** and helps us in providing quality products to our clients. To meet the growing requirement of clients, we have also developed a sophisticated research and development unit. Our team of quality experts tests our range on various parameters such as dimensional accuracy, durability and tensile strength to assure its efficiency.

Under the able and superior guidance of our **Mentor, Mr. Ankit Jain**, we have created a benchmark in the industry. He has enriching knowledge and years of experience in this domain. We also follow ethical business policies in our business area to achieve the maximum satisfaction level of clients.
