About Us

Nitin Sales Corporation was founded in **2012**, with a sole objective to establish strong market foothold and achieve the maximum support of customers. Our company is a sole proprietorship owned firm and is indulged in **manufacturing, trading and supplying** a comprehensive range of **Teflon Fittings, Rubber Mould, Rubber O Ring, Hydraulic Fittings** and many more. Designed and manufactured with utmost care utilizing optimum quality raw material, our products have got wide acceptance among the large customers for their matchless attributes. We first thoroughly examine the quality of raw material, before using it in the development of products; thereby assure that our complete range is in strict conformation to the specified quality norms of industry. From the very first stage of procuring raw material till the end packaging of consignment, each and every thing is checked thoroughly to leave no stone unturned in making shipment of defected products in the market. Thus, we are acknowledged by the maximum customers and are getting their orders repetitively. **Mr. Sanjeev Kumar** is the worthy proprietor of our company, whose hard work and commitment have led us to sustain a distinct position in industry. With his sharp business intelligence, market credibility, industrial experience, managerial skills and foresighted approach, we have been successful in establishing a strong foothold in this challenging industry. Timeliness in...
