About Us

We, Nitya Exports, are a firm of designer and master weaver, having more than thirty five years experience, in running a family business for the manufacture of all types of woolen Hand knotted Tibetan weave, Hand knotted, Hand tufted, Hand loom, Hand tuft with embroidery, reversible carpets, woolen & leather shaggy , leather carpet, leather braided & bags .

As we are original manufacturers so we strictly follow our customer's requirement and hence we are able to execute any design with any color combination according to our customers' choice maintaining the confidentiality. We are looking out for new potential clients to expand the vista of our business.

Having the same accomplishment our target is to access the importers directly for mutual benefit. If you are interested we can provide our quality samples free of cost but please you have to bear the courier/freight charges.

We trust in short but sure steps to hold our customers firmly towards fructifying our business. Hoping to receive a positive response and looking forward to a longstanding business relationship.
